

It's time to order your custom made ViSalus Ambassador Jacket, the true hallmark of a ViSalus Leader and a status symbol like none other in our community.

ViSalus will cover the cost of one jacket per qualified position. If you share your position with another person and would like a second jacket, you have the option to purchase it at cost.

The information below is essential to getting the proper fit, so please take the time to go to a local tailor if necessary to get accurate and complete measurements. While we will be able to make slight alterations to ensure a perfect fit once you try the jacket on, major alterations are covered at the discretion of ViSalus.

Another great way to ensure a good fit is to send us any coat you currently own that you feel fits perfectly. You can send that coat to Rocky's Custom Clothes (13934 Ventura Blvd., Sherman Oaks, CA 91423) along with your return shipping info. He will be able to create your jacket to match those dimensions and will return your jacket promptly. This is the preferred method.

Please save this completed form, add your name to the filename (AMB-Jacket-Form-YourNameHere.pdf), and email to webmail@RockysCustomClothes.com and cc: RecognitionTeam@visalus.com

If you have any questions, please call 1-866-SUIT-GUY or email: RecognitionTeam@visalus.com.

Please note we need accurate body measurements, please do not add inches to measurements.
