

> Help Keep Your Metabolism Burning Bright with Vi-Slim® Metab-awake! Tablets†

### 1. WHAT IS Vi-SLIM®?

Vi-Slim is our proprietary, specially designed supplement to help support a healthy metabolism. Exercise is a good way to boost the metabolism and help the body burn fat. Adding Vi-Slim along with a healthy diet also can help you achieve your goals.†

### 2. HOW DOES Vi-SLIM METAB-AWAKE! HELP MY EXERCISE AND DIET REGIMEN?

Vi-Slim supports your metabolism to help your body burn fat. Vi-Slim contains natural herbs and other ingredients that support a healthy metabolism.† This product is to be used in conjunction with exercise and a healthy diet which are part of the Body by Vi™ program.

### 3. WHAT KIND OF RESULTS CAN I EXPECT FROM Vi-SLIM?

Vi-Slim can help your body burn more calories each day. This can add up over the course of a year! In addition, the Vi-Slim formula can help support your metabolism without harsh stimulants, unlike other products in the market.†

### 4. HOW DO THE INGREDIENTS IN Vi-SLIM MEASURE UP?

Vi-Slim contains a unique blend of ingredients, including the patented and clinically tested ForsLean® Coleus Extract—to help support your body's fat burning process. It also contains Chocamine®, a patented and clinically tested Cocoa Extract, to help support your energy along with other ingredients like chromium to help maintain healthy blood-sugar levels that are already within the normal range. Evodiamine, a unique extract used for hundreds of years to help support the body's metabolism process, completes the blend. These tablets contain no added caffeine, Ephedra or other stimulants.†

### 5. WHO CAN USE Vi-SLIM?

Both men and women can benefit from Vi-Slim. Vi-Slim is not recommended for children under 18, pregnant women, or anyone with a serious medical condition. Any individual with a medical concern should talk to the doctor before using the product.

### 6. WHAT IS THE RECOMMENDED DAILY DOSE?

Take 1–2 tablets per day with water, a Vi-Shape® shake or your favorite beverage. Do not exceed 4 tablets per day. Taking more will not generate additional benefits.
